

Easy

Assistant Engineer (Electrical), Class 2025

Building Department

The primary objective of the _____ is to consolidate the laws relating to the generation, transmission, distribution, trading and use of electricity in India.

A

Energy Conservation Act, 2001

B

Electricity Act, 2003

Correct

C

Indian Electricity Rules, 1956

D

IS 3043

Correct Answer: B

Full Detailed Explanation

Concept & Reasoning The Act addresses licensing, open access, regulatory commissions, tariff principles, grid operation, transmission and distribution among other matters. The Energy

Conservation Act, 2001 has a different focus: efficient use of energy and conservation. IS 3043

and IS 732 are technical standards, not sector-wide legislation. How to Solve It in the

Exam Sector structure/regulation Electricity Act; efficiency/conservation EC

Act. Important Exam Point Match the scope words in the stem with the statute's objective. Related

Revision Path This question sits in the revision path Electrical Laws, Standards and Energy

Policy Electricity Legislation Electricity Act 2003 .
